Before move-in: paperwork

Ask the home for its own admission list and deadlines.
Requirements depend on the home and the type of care; this is a place to track what it asks for.

- ☐ Ask whether a TB test / screening record is needed and when
- ☐ Get the home’s physician report form and completion deadline
- ☐ Gather the current medication list / required orders
- ☐ Gather photo ID and insurance cards
- ☐ Include Medicare, Medicaid / TennCare and supplemental cards if used
- ☐ Locate relevant signed legal papers / health care permissions
- ☐ Read the residency agreement and ask about unclear fees
- ☐ Confirm which documents the home has received
